## PALCO AUTO BODY POLISH

**PALCO AUTO BODY POLISH** is designed to remove compounding marks, fine scratches and light to medium oxidation contaminants. Unlike older style compounds this polish is non-gritty and smooth cutting. The product does not affect the colour of paintwork, and does not damage bumpers or other plastic parts, even those made with environmentally friendly or recycled plastics.

### FEATURES

- For use on cured paints to produce a high gloss finish.
- Recommended for polishing Car, Bike, Ceramic Tiles, Fibre Glass, Aluminium Bathroom Fittings etc.
- Removes oxidants contaminants. Deep cleans and restore brightness.

**Packing:** 100gm, 200gm, 500gm

## PALCO ALL IN ONE - MULTIPURPOSE LIQUID POLISH

**PALCO ALL IN ONE – MULTIPURPOSE LIQUID POLISH** its active formula gives extra bright shine and new look to articles polished. High gloss, contains a unique blend of ingredients that gives extra bright shine and cover protection. A multipurpose liquid polish that can be easily used at homes, shops, workshops & garages.

### FEATURES

- Provides a brilliant gloss finish with long lasting protection due to the outstanding balance formulation of active ingredients.
- Multi-purpose: An ideal polish for application on Cars / Bikes & Scooter (Plastic, Rubber, Vinyl, Rexene, Surface etc.) Powder Coated Accessories, Car & Bike Headlights, Tyres & Taillights etc.

**Packing:** 100gm, 200gm

## PALCO VINYL & LEATHER POLISH

**PALCO VINYL & LEATHER POLISH** is a single step treatment that cleans gently & protects and preserves your leather & vinyl. This will leave a new like matte finish to your trim and prevent drying, cracking, staining and premature fading and aging caused by UV rays & wear and tear.

### FEATURES

- The polish can be used on vinyl & leather and provides a glossy finish.
- The accumulated dust and stains can be easily removed with the help of this polish. This enhances the shine of the vinyl and leather.

**Packing:** 125gm

## PALCO VINYL & DASH BOARD POLISH

**PALCO VINYL & DASH BOARD POLISH** is a mix of detergents, bees wax and protective polymers that guarantee oil-free, effective and delicate cleaning of surfaces.

Its formulation ensures an efficient, long term anti-UVA and anti-static barrier that slows dust depositing and avoids the early fading of plastics, also avoiding unpleasant odours by releasing a prolonged sensation of clean freshness.

### FEATURES

- Safe on all Dashboards, Vinyl & Plastic Surfaces. Maintains High Gloss

**Packing:** 10ml, 100ml

## PALCO TYRE SHINER

**PALCO TYRE SHINER** produces a rich and luxurious appearance to the tyre and to other rubber surfaces. It is fortified with special conditioner that protect nourish and rejuvenate rubber surface. It prevents early aging and drying of rubber surfaces expose to environment.

### FEATURES

- Weathered tyres a dripping wet finish, giving a new look to tyre walls.
- The gloss shine given to the tyres after using this will last several weeks.
- It can be applied on all type of tyres to bring back original showroom shine.

**Packing:** 200ml

## PALCO TYRE DRESSING CREAM

**PALCO TYRE DRESSING CREAM** produces a rich and luxurious appearance to the tyre and restore natural shine. It keeps leather / rubber in a natural and supple finish. This helps to repel water and reveals no residue.

### FEATURES

- Formulation designed to give a rich, glossy look to tyres.
- Easy Application and non-greasy formula makes application less messy and does not attract dust.
- Ready to Use formulation helps prevent fading and cracking of tyres.
- Can be used on car, bike tyres or any other tyres.

**Packing:** 200ml

## PALCO CARNAUBA LIQUID POLISH

**PALCO CARNAUBA LIQUID POLISH** is specially formulated to create the strong, protective seal and give your car, motorcycle a brilliant, protective glass shine look. Its formula utilises the higher grade of pure carnauba wax to protect all painted surface.

### FEATURES

- Delivers long lasting shine and protection.

**Direction to use:** Shake well before use. Wash & dry the surface. Spray it uniformly over the area in circular motion. Allow to dry and then buff it with a soft cloth to get a high gloss.

**Caution:** Do not apply in direct sunlight. Use only in areas with sufficient ventilation. Wash hands thoroughly after use. Keep out of reach of children.

**Packing:** 100gm

## PALCO SILICONE DASH BOARD POLISH

**PALCO SILICONE DASH BOARD POLISH** cleans and restores the dash board, leather surfaces and plastic parts. Prevents scratches and aging of surfaces and enhance the gloss of the paint. This is a non- toxic formula which clean vehicles parts, desks, leather, bumpers, plastic parts and furniture.

### FEATURES

- Act as a car sanitizer & car cleaner.
- Prevent car parts from bacterial growth.
- Can also be used for Leather Seat polishing.

**Packing:** 400ml, 150ml

## PALCO HELMET SPRAY

**PALCO HELMET SPARY** is an effective foam based cleaner for the interior of helmets. It cleans, reduces malodour and provides freshness. The unique silver-based technology ensures 99% protection from odour causing bacteria and is recommended for all the types of helmet liners.

### FEATURES

- Effective inner helmet spray sanitizer and deodorizer.
- Antibacterial - Helps to control bacteria that causes odour build up.
- Restores helmets, hats & headgear to a pleasant freshness
- Ideal for use before and after rides.

**Packing:** 150ml

**PALCO CAR & BIKE SHINER** cleans shine and protect your vehicle original painted surface, vinyl, leather, furniture and rubber from the effect of sun's ultra virus rays & heat. Also prevents drying discolouring, hardening, and cracking of the original beading, bumpers & side walls of tyres. Restores natural colour and bring it back to new look.

### FEATURES

- All-purpose shiner for a better finish.
- Multi surface spray polish (plastic, metal, tyre, painted and rubber parts).

**Packing:** 150ml

## PALCO TYRE ULTRA SHINE

**PALCO TYRE ULTRA SHINE** is a non-aqueous agent for tyres and bumpers. It conditions and restores a natural black look. Leaves wheels with a long lasting brilliant shine. UV Protection.

### FEATURES

- Clean shine & Protect
- Fast and easy to use.

**Packing:** 400ml

## PALCO WASH & WAX SHAMPOO

**PALCO WASH & WAX SHAMPOO** offers long-lasting protection for paint finishes and restores the paint colour. Owing to its advanced formula, it helps in removing dirt with ease and gives the car a new look. Moreover, it leaves a light waxy protection so that the shine is retained between car waxing. It will not cause any harm to the car paint. It will also not dull the paint finish like other liquid or powder detergents.

### FEATURES

- Wash and wax combines a biodegradable car wash with a high gloss dose of shine.
- Wash and wax removes dirt and grime without scratching the vehicle's paint.
- A single wash delivers a wet glistening shine and has the added protection of a wax.

**Packing:** 15ml, 500ml

## PALCO GLASS CLEANER

**PALCO GLASS CLEANER** super spray detergent offers the very best experience in cleaning and protection of all types of glass and crystal and is also ideal for tinted window films. Its powerful active foam cleans surfaces quickly and effectively, restoring the original sparkle without leaving any streaks.

### FEATURES

- Ready to use and safe on all automotive glass and furniture glass. Ensure quicker removal of contaminants with minimal efforts.
- Spreads easily on the glass to give superior results without leaving any residues behind.

**Packing:** 500ml

## PALCO SHINE SPONGE - INSTANT SHINE

**PALCO SHINE SPONGE – INSTANT SHINE** uses new acrylic based polymer technology, which effectively shines instantly the dull painted metallic & plastic parts of your vehicle. Instant shine sponge provides superior shine time after time

**Direction to use:** Ensure the Surface need to be polished is clean & dry, Take the sponge from the pouch & run on the surface with mild pressure. Ensure all the metal and plastic part of vehicle is treated well. Take clean and dry cloth and wipe excess polish to get a glossy shine Look.

**Caution:** Not advised for use on seats, pedals, Grips as it might be dangerous when they become slippery. Wash hands thoroughly after use.

**Packing:** 1Pc

## PALCO WINDSHIELD CLEANER

**PALCO WINDSHIELD CLEANER** is highly effective cleaning compound, which has been formulated for vehicle windshield washer system and other glass surfaces without leaving any wiper marks or strains.

### FEATURES

- Leaves a clean, streak free windshield.
- Powerful cleaners remove road film, dirt and insects to improve vision.
- Convenient, built-in measuring chamber.

**Direction to use:** Use every 100ml in 2 Ltr. tap water (Soft). Empty the contents directly into vehicle Windshield.

**Caution:** Keep out of reach of Children. Avoid contact with eyes.

**Packing:** 100ml

## PALCO CARB & CHOKE CLEANER

**PALCO CARB & CHOKE CLEANER** removes deposits from the inside and outside of the carburettor to improve engine performance and fuel economy. This helps in removing grease, oil, varnish, gum and dirt build-up. This spray cleans carburettors, linkage, choke valves, and unpainted metal parts to improve performance and reduce emissions. This conforms to health working practices and effortless cleaning and also prevents the environment by reducing smoke.

### FEATURES

- Specially formulated to remove gum, sludge, varnish, grease and dirt from carburettors.
- Regular usage will ensure prevention of dirt build-up. Cleans carburettors, linkages and automatic chokes.
- Fast acting and easy to use to formula. Help maximise an engine's power, performance and efficiency.

**Packing:** 400ml, 150ml

## PALCO GUN CLEANER

**PALCO GUN CLEANER** is a gun bore cleaner that safely and effectively shields your firearms from corrosion. It has been specially formulated with bio-degradable oils. Fouling starts with the first shot. With every subsequent shot, fouling attracts and traps moisture against barrel walls. Stop costly rust before it starts by keeping your weapons clean.

Gun Cleaner is odourless, non-toxic, and environmentally safe. The thin, rust-inhibiting spray keeps metal squeaky clean and shiny without leaving an oily residue.

### FEATURES

- Protect from rust. Remove fingerprints. Clean and condition

**Packing:** 400ml, 150ml

## PALCO BRAKE & PARTS CLEANER / DEGREASER

**PALCO BRAKE & PARTS CLEANER / DEGREASER** is a full strength cleaner and degreaser that safely and effectively removes brake fluid, grease, oil and other contaminants from brake and parts components. It can dissolve grease and grime without brake disassembly. Not only is it effective on brake parts, this solution can be used on other components and as a general purpose degreaser anywhere in the workshop.

### FEATURES

- Ozone friendly, contains no CFC's. Effectively removes impurities from brake components
- Leaves no residue, staining and is non-corrosive. Cleans disc rotors after machining, before brake pad installation
- Cleans instantly to stop squeaks and squeals in brakes. Use on brake parts and other degreasing applications

**Packing:** 150ml

## PALCO ENGINE FLUSH

**PALCO ENGINE FLUSH** helps removes internal gum, varnish and sludge deposits common in today's high operating temperature engines. This power robbing deposits results in excessive wear and poor performance.

### FEATURES

- Add to crankcase before regular oil change to remove sludge and deposits in only 3 minutes
- Frees sticky valves, lifters and piston rings. Flushes entire lubrication system of your engine.
- Add to oil before changing to remove and clean sludge & dirt.

**Direction to use:** Check crankcase to make sure oil is up to safe level. Add PALCO Engine Flush to cold engine before changing oil and filter. Idle Engine at a normal rpm for 3 minutes. **DO NOT DRIVE CAR.** Turn off motor, drain crankcase and remove filter. **NOTE:** On engines with high mileage and / or excessive wear, removes and clean oils pans before adding new oil.

**Packing:** 300ml, 50ml

## PALCO ELECTRO CLEANSE

**PALCO ELECTRO CLEANSE** – cleans oil, grease, dirt and moisture from circuit boards, electrical contacts, switches and more. Used for cleaning mobile phones, computers, household appliances, precision instruments, electrical components and circuit board etc. Completely volatile, leaving no trace, no corrosion to plastic and metal surface.

### FEATURES

- Evaporates quickly.
- Effectively removes stains.
- Ideal for Computer Hifi, Circuits and other Electronics Devices.

**Direction to use:** Shake well before use. When cleaning the screen, it should be sprayed on the dust free cloth and then wiped. You can connect a spray pipe if you want to spray to the inside or small hole of the object.

**Caution:** Extremely flammable. Do not expose to temperatures exceeding 50 Degrees. Harmful by inhalation and in contact with skin. Keep out of reach of children, avoid contact with skin and eyes.

**Packing:** 400ml

## PALCO PS - 40

**PALCO PS - 40** is multi-purpose penetrating oil that protects metal from rust and corrosion, loosens rusted and stuck parts, displaces moisture, lubricates hinges and doors, and even removes grease, grime, and more from most surfaces.

### FEATURES

- A multipurpose rust and stain remover.
- Easily remove rust from tools, metal, cast iron, chrome parts, and more without harming paint, gaskets, trim, or surrounding parts.
- Dissolves rust from metal quickly. CFC & Silicon Free.
- Dissolves adhesives and helps to remove labels and heavy gumming stickers.

**Packing:** 400ml, 150ml, 32gm

## PALCO PAINT & GASKET REMOVER

**PALCO PAINT & GASKET REMOVER** is a fast acting blend of solvents for removal of paints, gaskets, adhesives, sealants, lacquers and varnishes without excess scraping or causing damage to the surfaces. It also clears stubborn grease, oil, varnish and carbon deposits.

### FEATURES

- Remove gaskets, paints, sealants, varnishes.
- Fast action formula cleans dried grease & oil.
- Protects surface finish from excessive scraping.

**Packing:** 400ml, 150ml

## PALCO CARPET & UPHOLSTERY CLEANER

**PALCO CARPET & UPHOLSTERY CLEANER** works great on washable as well as painted surfaces. The deep cleaning foaming action of the cleaner lifts dirt and restores true colour of the surface making them look new. It is safe for use at home as well as on your vehicles. You can use it to clean appliances, Formica, bathroom fixtures vinyl and fabric upholstery, floor mats, carpet and chrome of your car. It contains odor eliminators to remove odors, not just mask them. It is excellent for household cleaning.

### FEATURES

- Penetrating foaming actions.
- Removes odours

**Packing:** 300ml

## PALCO BELT DRESSING SPRAY

**PALCO BELT DRESSING SPRAY** is a colourless, non-toxic adhesive and conditioning spray that provides instant grip to prevent belt squeal, slippage and wear. It prevent the belt from drying out and cracking to both increase transmission efficiency, extend belt life, reducing belt slippage that leads to glazing and over-heating.

### FEATURES

- Conditions V-belts and fan belts to prolong belt life. Promotes better grip and traction
- Eliminates squeaks and chattering. Helps prevent premature wear
- Safe to use on all different types of belts

**Packing:** 150ml

## PALCO BATTERY TERMINAL PROTECTOR SPRAY

**PALCO BATTERY TERMINAL PROTECTOR SPRAY** protects battery terminal from failure due to sulphating. It forms a protective coating to seal out battery acids, moisture, dirt grease, oil and other contaminants that corrode and destroy metal contacts; thereby optimizing battery performance.

### FEATURES

- Prevent battery failure by protecting battery terminals from corrosion.
- Increase battery life and improves performance.
- Air-tight water proof and acid resistant coating.
- Protects battery and cable terminals against leakage and acid sulphating.

**Packing:** 150ml

## PALCO RAT REPELLENT FOR CAR

**PALCO RAT REPELLENT FOR CAR** is a specially developed formulation which repels rodents from the engine bay and entry areas like the wheel arch. This 'barrier' coating prevents unexpected damage caused by rodents.

Vehicle compatibility: All Cars

### FEATURES

- Car rat repellent spray keeps rat away from car engine
- Only repels rats, does not kill them
- Non-toxic and easy to use
- Keep away from children do not expose to heat do not spray inside car, home, office, store

**Packing:** 150ml

## PALCO LITHIUM GREASE SPRAY

**PALCO LITHIUM GREASE SPRAY** is a non-dripping and non-staining formula that ensures smooth movements of the auto parts. It offers a clear window channel that is free from dust and does not require much effort to clean it up. It is user-friendly and quite convenient to use. The grease is the best solution to all the car related services.

### FEATURES

- Non-dripping, non-staining lubricant with excellent penetrating property.
- Ensure easy and smooth movement of joints.
- Joint is fast dry, no wetness in joints.
- Ensures clean and dust free window channels.

**DIRECTIONS TO USE:** Hold can in a position where the nozzle is pointed towards application area. Use Extension Tube for pin-pointed application. Spray evenly from a distance of 8-10 cm. For Best results, clean the surface thoroughly.

**CAUTIONS:** Extremely flammable. Do not expose to temperatures exceeding 50 degrees. Harmful by inhalation and in contact with skin. Keep out of reach of children, avoid contact with skin and eyes.

**Packing:** 150ml

## PALCO CHAIN CLEANER

**PALCO CHAIN CLEANER** cleans all types of motorcycle chains (road and off-road) and those of other vehicles. Evaporates very quickly. It helps in reducing friction between metal links and thus reducing wear and tear.

### FEATURES

- Recommended for all types of chains: standard and with O-ring, X-ring and Z-ring.
- Chain cleaner is an effective product for Motorcycle, Cars, Trucks which removes silage and metallic dust quickly and take away dirt and grease without damaging chain.
- Reduces friction and loss of power. Increases chain durability. Water and rust resistant. No exploit on seals.
- Reaches in accessible areas quickly.

**Packing:** 400ml, 120ml

## PALCO CHAIN LUBRICANTS

**PALCO CHAIN LUBRICANTS** is an aerosol chain lube that capitalizes on emerging lubricant technology. Unsurpassed anti-wear protection for long chain and sprocket life is achieved through an outer protective coating that will not attract dirt, sand, or grit and will not fling when used as directed. Suitable for all 'O' 'X' and 'Z' ring and roller type chains for street, off-road, and racing use.

### FEATURES

- Effective for high speed chains in automobiles.
- Its residual material forms a tenacious lubrication film that resists wear, corrosion and does not get thrown off.
- Suitable for all types of chain driven vehicles like bicycles, motor cycles etc. as well as industrial chains that require a lubricant of moderate adhesiveness.

**Packing:** 400ml, 120ML

## PALCO SILENCER COATING SPRAY SILVER / BLACK

**PALCO SILENCER COATING SPRAY** is a heat resistant, corrosion protective, silencer coating treatment which provides a protective layer to the silencer of all type of vehicles. This is based on the special combination of pure Zinc, Aluminium and Modern Resins. The spray not only provides hard coat on the underbody of the car, which is fast drying paintable, non-toxic but also reduces the sound from below the vehicle & insulates it from harsh atmospheric conditions.

### FEATURES

- High heat resistance. Low surface tension provides quick wetting of rusted surfaces disintegrating rust particles.
- High solvency of rust x 90 makes removal of adhesive, gum, and varnish deposits super easy.
- Forms thin anti-rust film on metal surface preventing it from corrosion.
- Recommended for use on various metals such as Iron, Steel, Copper, Brass, etc. Also can be used on Exhaust Pipes and Grills.

**Packing:** 250gm

## PALCO SPRAY PAINT

**PALCO SPRAY PAINT** is an easy to use, high quality and fast drying paint for all painted surfaces. It gives durability, adhesion & rust protection. It is available in all regular and customized shades.

### FEATURES

- Easy to use.
- High quality and fast drying.

**Packing:** 440ml

## PALCO CLIMA FRESH (CAR SPRAY)

**PALCO CLIMA FRESH** is specially developed to eliminate bad bacteria from vehicle interiors. It works immediately to remove unpleasant odours present in air conditioning systems, ventilation ducts or vehicle interiors. A pleasant, fresh fragrance lingers behind. Which prevent allergic reactions.

### FEATURES

- A Pleasant, Fresh Fragrance Lingers Behind.
- Works To Prevent Allergic Reactions.

**Direction to use:** Ensure all windows are shut, unnecessary articles removed and all dash board vents are opened. Switch on AC on recirculation mode. Press the lever down wards of Clima Fresh so that it locks and contents start spraying continuously. Now, exit the vehicle and allow the contents to be completely evacuated with all doors and windows shut for another 5 minutes. Then switch off the ignition and wipe off excess liquid.

**Caution:** Extremely flammable. Do not expose to temperatures exceeding 50 degrees. Harmful by inhalation and in contact with skin. Keep out of reach of children, avoid contact with skin and eyes.

**Packing:** 100ml

## PALCO ROOM FRESHENER SPRAY

**PALCO ROOM FRESHENERS** are used for creating a refreshing environment. These are available in various flavours which are very pleasant to smell and keeps the mind fresh & have the ability to keep the room fresh from its lovely aroma. It is fabricated by using natural flowers perfumes that keeps the ambiance fresh and comfortable.

### MAIN APPLICATIONS

Residences, Offices, Factories, Shopping malls

### FLAVOURS

**ROSE - JASMINE - LAVENDER - CITRUS**

**Packing:** 160gm / 275ml
