

PRODUCT DATA SHEET

4-STROKE ENGINE OIL

GAJRAJ-15W50

It is a high quality of motor cycle engine oil developed specifically to meet the special requirements of latest high performance air-cooled 4-stroke motorcycles. It is blended from high quality of isomerized base oils and doped with combinations of antioxidants, detergent/dispersants, antiwear & rust corrosion inhibitors to exceed the most demanded lubrication requirement of modern 4- stroke motor cycles.

PRODUCT FEATURES

- ❖ High level of thermo – oxidative stability minimizes deposits & sludge build-up & reduces oil thickening thereby facilitating extended oil service life.
- ❖ High level of Engine cleanliness results in suspension of soot particles thus keeping engine surfaces clean.
- ❖ Low frictional properties eliminate clutch slippage.
- ❖ Effective rust & corrosion inhibition properties ensure longer life of critical engine components.

APPLICATIONS

Recommended for advanced 4-stroke bikes like Thunderbird 500, Thunderbird 350, Classic Desert Storm 500, Bullet 500 EFI, Bullet 350, M Classic Chrome, Classic 500, Bullet Electra Deluxe, Bullet Electra EFI etc.

PERFORMANCE LEVEL

Exceeds most stringent requirements of API SL, JASO MA2.

CHARACTERISTICS		
S.NO	PROPERTIES	GAJRAJ-15W50
1.	Appearance	Clear Golden Natural
2.	Kinematic Viscosity at cSt @100°C	17-20
3.	Viscosity Index Min.	115
4.	Noack Volatility 250°C /1hr o/o loss Max.	15.0
5.	Pour Point °C, Max.	210
6.	Flash Point COC, °C, Min.	-27
7.	TBN, mg KOH/gm	6-7

***The specifications are subject to variations/development/customization.**

PACKING: 2.5L
